Dear Bob and Union Members,

I would like to thank the IBEW Local 21 for providing school supplies for the disadvantaged children in My Joyful Heart, your generosity was overwhelming! I would also like to thank the people involved in starting this project; what a generous and heartwarming thing you did. It was a tremendous donation of school supplies; everything from pencils to backpacks was collected. We are truly grateful to Local 21 for selecting My Joyful Heart. Your gifts will put smiles on the faces of disadvantaged children.

My Joyful Heart continues to grow with each gift event we head into. With over 650 children to date coming from the surrounding communities many of the children go to school without the simple things that we take for granted. Toothpaste, soap and shampoo are items that we would never think are missing in the lives of neighboring children...but sadly they are. My Joyful Heart strives to provide daily essentials, such as hygiene, clothing, toys, books and school supplies to children that are living in very low income and working poor households. It is the consistent encouragement through these gift packages that we hope will have a positive impact on their young lives and their future. It is because of the generosity of businesses, individuals and IBEW Local 21 that we are able to continue our efforts to bring hope.

We thank you and all the members for making a difference.

For the children we serve,

Diane Carroll
