Dear Bob,

Thank you for facilitating the generous donation of 62 new backpacks with school supplies. Donations like yours directly benefit children and families who are part of the agency's caseload, as well as others throughout the Quad Cities. This allows us to commit agency funds to support programs and services provided.

The generosity of donors like you allows Bethany for Children & Families to help families remain intact and avoid child welfare or juvenile justice systems, provide children with free dental services, provide safe homes for children in foster care, and aid homeless teens and families find housing.

On behalf of the entire team at Bethany, and on behalf of those whom we serve, thank you again. Your contribution helps us carry out the agency's mission of *keeping children safe, strengthening families, and building healthy communities*.

Sincerely,
