VOLUNTEER OPPORTUNITY

Join Mercy Home for Boys & Girls as we welcome alumni back home during our [AfterCare](#) program's annual Christmas party at our West Loop campus. This special event gives former youth and their families a chance to catch up with each other, and with current and former co-workers.

Last year's event drew an incredibly large crowd with more than 400 guests for dinner, and of course, a visit from Santa. We hope the event this year will be just as successful, and that is why we need your help.
