2020 Labor Endorsed Candidates

Indiana State AFL-CIO Endorses Candidates for the 2020 General Election

The Indiana State AFL-CIO is proud to announce our endorsements for the 2020 General Election. Endorsements are based on voting records, in-person interviews, and responses to a questionnaire issued to all candidates. Affiliates of the Indiana State AFL-CIO reviewed this information and voted for the candidates they think best embody the labor movement's values.

“As Hoosiers grapple with the coronavirus pandemic, economic uncertainty, and racial injustice, it is critical that we elect proven leaders who share our values,” said Indiana State AFL-CIO President Brett Voorhies. “The Indiana labor movement has come together, studied the candidates, and made endorsements because we believe these candidates will be a voice for working Hoosier families. We fight for candidates who fight for us, so we'll do everything we can to ensure they're elected this November.”

This is the Indiana State AFL-CIO's first round of endorsements for the 2020 cycle and additional endorsements are to come.
